Subject: Gorge Dam - Updated Draft Project Schedule

Hi Mary Beth and Chris – Attached is the updated draft design schedule which incorporates Amendment 4 and the upcoming Amendment 5 tasks. The last schedule (December 8, 2020) showed us completing the design in mid-September 2020. The updated schedule shows us completing the design in late March 2022. For planning purposes, knowing some dates and durations may change you may want to extend the Period of Performance beyond the December 2021 date we were thinking.

Please let me know if you have any questions. We can discuss the schedule next Tuesday during our weekly call.

Cheers!

Bill
